Fundraising Kit

Every dollar you raise can help fund a kid's confidence

Whether you're aiming to raise \$100 or \$10,000, every contribution makes a real difference.

Here are some simple and creative ways to boost your fundraising.

⚡ Raise funds in 10 minutes

Share your fundraising page

Post your page on Facebook, Instagram, LinkedIn or via text message. Don't forget to share updates as you get closer to Buzz Day!

Ask your family and friends

A personal message goes a long way. Let people know why you're taking part and ask them to support your buzz with a donation.

Personalise your fundraising page

Add a photo, set a fundraising goal and tell your story. Fundraisers with a personal message often raise more!

Get your school or workplace involved

Host a morning tea

Bring everyone together over coffee, cakes or snacks and ask for a donation to attend. It's a simple way to raise funds while sharing why you're taking part in Buzz Club.

Organise a Crazy Hair Day

Invite everyone to come to school or work with their wildest, wackiest hairstyle and ask for a gold coin donation to participate. Award prizes for the most creative looks to make it even more fun!

Wear It Red Day

Encourage everyone to wear red in support of Buzz Club and ask for a gold coin donation. Decorate your classroom or workplace in red and take a group photo to share on social media to help spread the word.

Ask your employer to match donations

Many employers offer dollar-matching programs and are happy to match the funds you raise, doubling your impact for kids in need. It never hurts to ask!

Make it a community event

Sausage sizzle or BBQ

Fire up the barbecue and sell sausages, burgers and cold drinks before or after your buzz.

Cake stall

Ask family, friends or local bakeries to donate baked treats to sell on the day.

Trivia night

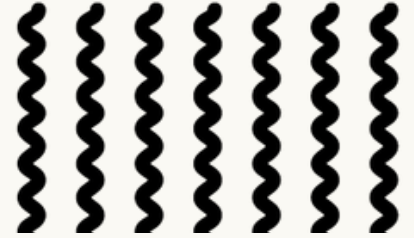

Host a fun trivia evening and charge an entry fee, with bonus fundraising through games, raffles or auctions.

Community raffle

Collect prizes from local businesses and sell raffle tickets to friends, family and your community.

♥ Remember...

Don't be afraid to ask

The number one reason people donate is because someone they know asked them. A personal message is one of the most powerful ways to inspire support.

Share your "why"

Tell people why you're taking part in Buzz Club. Your story helps supporters connect with your cause and encourages them to get behind your fundraising.

Keep your supporters updated

Celebrate milestones, thank your donors and share photos and videos in the lead-up to Buzz Day. Regular updates keep the momentum going and often inspire more donations.
